Medical Declaration

When flying under instruction, you will be doing so with a suitably qualified pilot. There are specific medical requirements that individuals need to satisfy before they fly solo. This does not apply to pilots under instruction.

Please read the medical notes that have been supplied on the back of the Mandatory Safety Notes.

I declare that I will bring to the attention of my instructor, in confidence, any medical condition which could cause an adverse effect during flight.

I am aware that it is my personal responsibility to ensure that if there is doubt about my fitness to fly, I will not fly and will seek advice from my GP.

I understand that that there is a medical requirement for solo flight that I must comply with as set out in BGA Laws and Rules medical standards.
