Shalbourne Gliding

Open Day

Saturday 19th June 2010 between
10 a.m. and 6 p.m.

An unmissable opportunity to take to the skies with our British Gliding Association qualified instructors at a **special Open Day discounted rate of £30** (payment by cash or cheque please).

No booking is required – just turn up and we will do our best to get you airborne. We are a small friendly club and our members will be pleased to show you around.

There is no age barrier to learning to fly and it is a surprisingly affordable sport.

Our airfield can be found on Rivar Hill five miles south of Hungerford. Take the road opposite the Plough public House in Shalbourne village. At the top of the hill turn left towards Fosbury. The airfield entrance is one mile on the left. A map can be found on our web site.
